CAPTAINS LOG

Hello crew,

I want to start by apologizing for being so late in getting this month's newsletter out. I was ahead of it then suddenly I was behind. I hope you enjoy it and I'll turn around and start working on the next one this week.

I hope you all survived the winter storm in good spirits. I know my family and I came through it unscathed and I hope you were all equally blessed.

I want to start with welcoming our newest crew mates. Jessica, Mace, & Ella Quin! They come to us by way of Richard Quin, one of our ships founding members. We welcome them all with open arms and look forward to serving with them on the Veritas.

For those of you who do the reading challenge monthly, the form has been updated and the changes are for your benefit. It does now require that you enter your SCC number, but when you do so, it will automatically do two things. It will automatically submit your reading directly to the STARFLEET Medical spreadsheet so no more worrying about the CO (Me) from ensuring your submissions get transferred before they wipe the list for the new month. Also, it alerts COMPASS that you have read that month and automatically ensures you get promotion points credited to you without having to enter is manually or reminding and bridge crew.

Another project I've been working on is getting Artemis Starship Bridge Simulator updated and reskinned in an LCARS theme for both our enjoyment when playing as a crew and for running it in conventions.

FIRST OFFICERS LOG

Hello Crew,

I hope everyone has been having a good month and had a great holiday season. I've been doing some traveling and haven't had time to do the wine review. So I'll get back to it this coming month. Anyway, there isn't much to report on. So I'll get it started.

Ok, I know I'm starting to sound like a broken record on this subject. So, I would like everyone to think about what kind of articles they would like to see in the newsletter! I'd also like to see crewmembers writing and submitting articles.

We still need to be recruiting for the crew. I know I keep repeating myself on this subject. However, I can't stress it enough! If this ship and crew are to survive, we need to be recruiting people.

So, when you are out and about chatting with people ask about their interest in Star Trek. It can't hurt to ask them and tell them about the group.

Last but not least again. If any of the crew has a specific branch of Starfleet they would like to be part of, let the CO or myself know! We can steer you in the right direction. SFI Academy has courses geared towards your goals. They are very informative and can help you get promoted as well.

Also, if anyone has any questions, concerns, requests, or comments. Please feel free to contact the CO or myself. We'll be happy to assist you with anything SFI we can! I hope everyone has a great next month ahead of them.

XO, OUT

CMDR Bryan Fitch
