### Points Breakdown:

**Temporary Points:** Event participation + Academy courses - Points spent on promotions

**Permanent Points:** Special achievements and milestones

**Awards Points:** Points from received awards

**Total Points:** Sum of all point categories

## CREW PROMOTION POINTS

# CAPTAINS LOG

Hello crew,

First, I would like to tell you something happening up at Fleet level. They are in active development of a new members portal and I am actively part of their beta/bug tester crew. It shows a lot of promise and I am speaking with the developers on implementing functions that will integrate with COMPASS for certain functions. One of the key goals of the system is simplifying use so it's more intuitive while also expanding functionality.

I would like to talk about Fleet STO Game nights. A good number of the crew attend this event on Saturday nights. It's a great way to meet others in STARFLEET in other chapters and regions, as well as being a fun and easy way to earn promotion points. In a theoretical scenario where you attend every Saturday for a year, that's 104 promotion points!

For those of you who attended Giganticon in Pflugerville, I hope you got to enjoy the vendors of various types, and the opportunity to speak with legends like **Kevin Clash** (Splinter from TMNT movies 1 & 2, Elmo from Sesame Street, etc....) and **Gregg Berger** (Grimlock from Transformers, Deckman in Alita: Battle Angel, etc....). It was a fantastic time and good conversations.

Also, in mid-February we had a Range Day at Mountain Creek Firing Range sponsored by our STARFLEET Special Operations (SFSO) auxiliary Verity Vanguard (SOU-1791). The event was well received and we hope to schedule more in the near future.

Lastly, I've been working on a significant project of Artemis Starship Bridge Simulator. I've worked out an entire new web-based user interface that is LCARS themed. Anyone coming to the Crew Game night later this month can experience it firsthand. Just bring your laptop and we'll get you setup. No installation needed!

Until later, keep up the great work crew!

-CAPT Freeman, Dustin
